

**BIOGRAPHICAL DATA ON  
BRIAN E. CLARK**

Project Director  
Mobile Container Terminal, LLC.

Brian E. Clark is a 1995 graduate of the United States Merchant Marine Academy at Kings Point and holds a Bachelor of Science degree in Marine Transportation.

Upon graduation, Brian joined Matlack, Inc. in Wilmington, Delaware as a member of their Management Trainee Program.

Brian joined Sea-Land Service, Inc. in 1996 in Elizabeth, New Jersey. From 1996 until 2004, Brian held various operations positions in both Marine and Terminal operations prior to and after the acquisition of Sea-Land by Maersk in 1999. His most recent position was General Manager of Terminal Operations from 2002 until 2004.

In 2004, Brian was promoted to General Manager of APM Terminals in Baltimore, Maryland.

In September, 2006, Brian was promoted to Project Director for Mobile Container Terminal, LLC, a joint venture between APM Terminals North America and Terminal Link, a subsidiary of CMA-CGM.

Brian, his wife Jennifer and their daughters Madison and Paige live in Mobile, Alabama.
