

**Taunja J. Berquam, Clerk, Subcommittee on Energy and Water Development,
Committee on Appropriations, U.S. House of Representatives**

Ms. Berquam first came to the House Appropriations Subcommittee on Energy and Water Development as a U.S. Army Corps of Engineers detailee four years ago, and was named as its clerk this year. She previously worked as the Corps' Portland District program manager for the Lower Columbia River Restoration and later supervised military construction in Iraq's Gulf Region Division.
