Membership dues or contributions to the National Waterways Conference, Inc., are not deductible as charitable contributions for Federal income tax purposes but may be deductible as ordinary and necessary business expense. The Omnibus Budget Reconciliation Act of 1993 provides, however, that a portion of membership dues (or contributions in lieu of dues) is not deductible as an ordinary and necessary business expense to the extent that the organization receiving such payments engages in lobbying. For 2007-08, we estimate that the non-deductible portion of our membership dues and contributions is 25 percent.
